

20th International Conference on Automotive Plastics

# CEP Auto 2024

## Sustainable Use of Plastic in Automotive

*40th Anniversary Edition*

29th & 30th May

*Moving forward a Sustainable Mobility*

Organized by

**Barcelona**

Hotel SB BCN Events

[www.cep-auto.com](http://www.cep-auto.com)

#CEPAuto2024

8:45h

**Registration and Welcome Coffee**

9:30h

**Opening**

**Speaker to Be Confirmed**

9:55h

**The future of automotive**

**Cristobal Jose Colon** *Partner* L.E.K. Consulting

10:20h

**Are Recyclates the Only Path to CO2-reduction?**

**Carsten Niermann** *Application Engineer* AKRO-PLASTIC / IMCD

10:45h

**Thermoplastic Elastomer Solutions for the New Demands of the Automotive Sector**

**Viviana Avendaño** *Market Development Manager Spain* ALLOD

11:10h

**Presentation to Be Confirmed**

11:35h

**Coffee Break & Visit to Exhibitors Area**

12:15h

**Implementation of Post-Consumer-Recycled ABS in Automotive : PCR High Heat rRsistance ABS Concept for Exterior & Interior Applications**

**Dr. Hyunil Kim** *Technical Development Manager* LG Chem Europe / Biesterfeld

12:40h

**Challenges of Materials in Electric Vehicles**

**Antonio Penadés** *Sustainable and Future Mobility Group* AIMPLAS · Plastics Technology Centre

13:05h

**Automotive Solutions: Recycled and Biodegradable Materials for a more Sustainable Mobility**

**Álvaro Zorita** *Industry Sales Manager* Nurel

13:30h

**Networking Lunch Sponsored by Guzman Polymers & Visit to the Exhibitors Area**

15:00h

**Round Table sponsored by Nexeo: Integration of the Mobility Value Chain: Challenges and Opportunities for an Effective Ecological Transition**

**Oriol Boada** *Technical & Environmental Compliance* SEAT

**Jordi Igareta** *Commercial Director. Plastic Division* INDEA

**Dr. Pablo Gamonal** *Innovation Project Manager* Eurecat

**Pere Ferrer** *Application Development Engineer* Nexeo Plastics

**Héctor Mas** *Director of Specialities PLM & Marketing* Nexeo Plastics *Moderator*

16:00h

**Recycling and AI in Automotive Parts Manufacturing**

**Jorge Serrano** *Sales and Engineering / Product Manager* AGI

16:25h

**How to Improve Assembly and Bonding of Plastic Parts in Automotive Production with Atmospheric Plasma Technology**

**Desiderio Díaz** *CEO* Plasmatreat

16:50h

**Networking Drinks & Visit to the Exhibitors Area**

8:30h

**Welcome Coffee**

9:00h

**Presentation to Be Confirmed**

9:25h

**Recycled TPEs for Automotive Interiors**

**Cameron Rasul** *Senior Marketing Specialist, Specialty Engineered Materials EMEA Avient*

9:50h

**Sustaining the Momentum of Automotive Interior Transformation While Incorporating Sustainable Materials**

**Miguel Ángel Montero** *Head Engineering Plastics Iberia Covestro*

10:15h

**Experiences and Challenges in the Introduction of Recycled Material in Plastic Parts: Creating Working Methodologies**

**Manuel Laspalas** *R&D Line Manager ITA – Instituto Tecnológico de Aragón*

**Cristina Crespo** *Technology Coordinator ITA – Instituto Tecnológico de Aragón*

10:40h

**High-performance Polyamides of Recycled Origin (PIR and PCR) and Bio-based in Real Applications: An Environmentally Friendly Offer**

**Riccardo Galeazzi** *MKT Sustainability Project Leader RadiciGroup High Performance Polymers*

**François Xavier Seguin** *Marketing & Technical Support RadiciGroup High Performance Polymers*

11:05h

**Coffee Break & Visit to the Exhibitors Area**

11:45h

**The Company of the Future: Success Stories in the Automotive Industry**

**Miquel Olivé** *3D Print Iberia Sales Manager HP*

12:10h

**Title to Be Confirmed**

**Jordi Portella** *Founder and CEO Bestplant*

12:35h

**Round Table to Be Confirmed**

13:35h

**Closing**

**Speaker to Be Confirmed**

14:00h

**Networking Cocktail and Visit to the Exhibitors Area**
